KA100-206 Sprint Nationals
June 4-6, 2021

The Route 66 Sprint Series, in conjunction with the Buckeye Karting Challenge, presents the Inaugural KA100 – 206 Sprint Nationals. The Route 66 Sprint Series, the oldest Regional traveling sprint series in the Country, known for promoting great racing in the Midwest, has teamed up with Ohio's home for grassroots sprint karting, Buckeye Karting Challenge, to create a brand new event at the newly reborn Motorsports Country Club of Cincinnati. Whether you're racing out of a pickup bed, or a custom tent, you're going to have a blast hitting the newly refreshed asphalt at MCC, and competing against the best of the best on these budget friendly powerplants. A special Old Skool Yamaha KT100 support class completes the grassroots feel of this cash and prize paying event.

When: June 4-6, 2021
